23.0 Termination Rights

- 23.1 If the Federal Communications Commission, a state or Public Utility or Service Commission, or a court of competent jurisdiction or other governmental entity issues a rule, regulation, law or order that has the effect of canceling, changing or superseding any term or provision of this Tariff (collectively, "Regulatory Requirement"), then this Tariff will be deemed modified to the extent necessary to comply with the Regulatory Requirement, unless such Regulatory Requirement adversely and materially affects a Party's rights or obligations under this Tariff. In the event of an adverse and material change, the Parties agree to negotiate in good faith a mutually agreeable modification consistent with such Regulatory Requirement. If the Parties cannot agree to such modification within thirty (30) days after the Regulatory Requirement is effective, then upon written notice, either Party may, to the extent practicable, terminate that portion of a Service Order impacted by the Regulatory Requirement. For purposes of this Section 23.1, any Regulatory Requirement that results in substantial increased costs to provide the Service(s) shall be deemed to have an adverse and material effect.
- 23.2 Notwithstanding anything contained in this Tariff or any Service Order to the contrary, Company shall have the right to immediately suspend and/or terminate any or all Service(s) provided hereunder without notice to Customer if Customer uses or permits the use of the Service(s) for any unlawful purpose or in any unlawful manner, in a manner that threatens any person, or in a manner that interferes with or threatens the integrity of Company's telecommunications network or the networks of any third parties.
