### GENERAL INFORMATION

#### 20. Micro-Hydroelectric Service Option (Cont'd)

##### B. Non-Residential (Cont'd)

##### 4. Remote Net Metering (Cont'd)

###### II. Customer Requirements and Eligibility (Cont'd)

###### 2. Satellite Accounts

- a. Must be held by the same customer and have an identical billing name, on property owned or leased by such customer.
- b. The Company reserves the right to investigate/obtain proof that all designated accounts are held by the customer.
- c. A Satellite Account may have more than one Host Account. The name plate rating of the Net Metered Generation Facility(ies) designated as Host Account for a Satellite Account shall not exceed 2 MW in aggregate, including any excess generation produced by a Net Metered Generation Facility located at the Satellite Account.

###### III. Enrollment and Change Period

After the customer's initial application, the enrollment and change period is from January 1 through January 31. Any changes shall be effective with the initial Host Account billing after March 1.

Remote Net Metering customers may submit a change request form annually during the change period to designate additional Satellite Accounts or delete existing active Satellite Accounts. If there are new, additional Host Accounts, they shall be added during the change period also. The customer may also change the portion (percentage) of excess to remain at the Host Account once per year.
