LOCAL EXCHANGE AND INTEREXCHANGE TELECOMMUNICATIONS SERVICES

SECTION 5 –DESCRIPTION OF INTRASTATE LONG DISTANCE SERVICES, (CONT'D.)**5.7. Miscellaneous Intrastate Long Distance Services****5.7.1 West Telecom Services, LLC Calling Card Service**

West Telecom Services, LLC Calling Card Service is provided to Customers for use when away from their established service location. Access to the service is gained by dialing a Company designated 800 access number (800-NXX-XXXX), plus the Customer's / User's Company Calling Card authorization number and the called telephone number.

Beyond these standard features, the Company calling card includes the following enhanced features: conference calling, West Telecom Services, LLC Voice Mail access, voice messaging, news and information access and speed dialing. Use of these enhanced features is subject to separate charges. The Company's calling card calls are billed in full minute increments, with a one minute minimum. This service is offered with Peak and Off-Peak pricing. A description of the additional features are as follows.

A. Enhanced Features Charges

Enhanced features are available for use as described below. Enhanced features charges apply in lieu of standard usage charges. Usage charges are billed in six second increments with a one minute minimum.

1. Conference Calling

Allows the User to establish a conference call by accessing the conference operator. Charges apply per established line and per minute of usage.
