- 27.3 If Customer determines that the Service is ready for acceptance, it shall issue a notice accepting delivery of such Service (an "Acceptance Notice"). If Customer reasonably determines that the Service is not ready for acceptance, it shall provide written notice of any deficiencies in the Customer Fibers, identifying which particular requirements of the Service Order Specifications have not been met (a "Rejection Notice").
- 27.4 In the event Customer issues a Rejection Notice, Cross River Fiber LLC shall take all commercially reasonable steps, at Cross River Fiber LLC's sole expense, to rectify any such properly identified deficiency and re-test the Customer Fibers. Once Cross River Fiber LLC believes the items specified in the Rejection Notice have been rectified and that the Service(s) is ready for acceptance, it shall provide Customer with another Completion Certificate and the procedure set forth in this Section 27 shall be repeated until the Service(s) is ready for acceptance. In the event the Parties cannot agree as to the propriety of the rejection, it shall be subject to an independent check by a third party and the prevailing party shall be entitled to recoup its fees for such testing from the third party.
- 27.5 If Customer does not provide a Rejection Notice prior to the expiration of the Inspection Period, an Acceptance Notice shall be deemed to have been issued as of the date of the expiration of such Inspection Period.
- 27.6 Upon issuance of an Acceptance Notice (or the date such notice is deemed to have been issued as provided in Section 27.5) of the Service(s), the Service(s) shall be deemed delivered to and accepted by Customer without any further act or document and the fees and charges for the lease of the Customer Fibers shall commence (the "Acceptance Date").
