14.0 Repairs and Changes to Facilities

- 14.1 The Company shall have the right to make necessary repairs or changes to its facilities at any time and will have the right to suspend or interrupt Service(s) temporarily for the purpose of making the necessary repairs or changes to its system. When such suspension or interruption of Service(s) for any appreciable period is necessary, the Company will give the Customers who may be affected reasonable notice thereof as circumstances will permit, and will prosecute the work with reasonable diligence, and, if practicable, at times that will cause the least inconvenience.
- 14.2 When the Company is repairing or changing its facilities, it shall take appropriate precautions to avoid unnecessary interruptions of Customers' Service(s).
- 14.3 The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations.

15.0 Service Connections and Facilities on Customer's Premises

- 15.1 Service(s) furnished by the Company may be interconnected with Service(s) or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by the carrier. Service(s) furnished by the Company is not part of a joint undertaking with such carriers.
- 15.2 Interconnection with the facilities or Service(s) of other carriers shall be under the applicable terms and conditions of the other carrier's tariffs. Customer is responsible for taking all necessary legal steps for interconnecting its Customer-provided terminal equipment or communications systems with the other carrier's facilities. Customer shall secure all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection.
