GENERAL INFORMATION

63. DIRECT LOAD CONTROL PROGRAM

63.3 **Applications** - Customers must enroll under this Program by completing the National Grid Direct Load Control Application Form.

63.4 **Customers Receiving a Control Device from the Company** - Customers who receive a Control Device from the Company will receive a one-time sign up payment after the Control Device is installed. The Control Device will become the customer's property upon installation.

63.5 **Customers Enrolling a Control Device through a Service Provider** - Customers who enroll in the Program through a Service Provider will receive a one-time sign up payment after the Control Device is installed and after the Company and/or Service Provider has confirmed the Company's ability to communicate with the Control Device.

63.6 Starting with the second Capability Period in which the customer participates, the customer will be eligible for an annual incentive payment, payable by check or gift card at the Company's discretion, after each Capability Period in which the Company can verify that the customer allowed the Company to control the Control Device for no less than 80 percent of the aggregate number of Event hours declared by the Company during the Capability Period.

63.7 **Restrictions** - This Program is not available to customers who participate, either directly or indirectly, through a Company, third party or NYISO, demand response program. This includes but is not limited to, the NYISO Special Case Resources ("SCR") Program (or any applicable Company program that is intended to take the place of the NYISO SCR Program), in the Company's Distribution Load Relief Program, Commercial System Relief Program, or Emergency Demand Response Program.

63.8 **Rate Statements** - The Direct Load Control Program rates shall be shown on the Demand Response Incentive Statement filed with the Public Service Commission not less than 60 days before their effective date.
