ORANGE AND ROCKLAND UTILITIES, INC.**LEAF: 157.2
REVISION: 0

INITIAL EFFECTIVE DATE: July 1, 2015

SUPERSEDING REVISION:

Issued in compliance with Order in Cases 14-E-0423 and 15-E-0191 dated 6/18/2015.

GENERAL INFORMATION**13. SERVICE CLASSIFICATION RIDERS (Continued)****RIDER F (Continued)****DISTRIBUTION LOAD RELIEF PROGRAM****CONTRACTING FOR DISTRIBUTION LOAD RELIEF PROGRAM SERVICE (Continued)**

A Direct Participant must contract to provide at least 50 kW of Load Relief. An Aggregator must contract to provide at least 100 kW of Load Relief.

If other requirements for service under this Rider are met, Electric Generating Equipment may be used to participate under this Rider subject to the provisions set forth in the Applications and Terms of Service section below. The participating Direct Participant or Aggregator is responsible for determining that the operation of the generating equipment under this Rider will be in conformance with any governmental limitations on operation.

APPLICATIONS AND TERMS OF SERVICE

- (A) Applications for service under this Rider must be made electronically with the Company. Direct Participants and Aggregators may participate after the Company's receipt and approval of a completed application. For the Summer of 2015 only, customers may apply by July 1 for a commencement date of August 1, but if the customer already has installed interval metering and associated communications, meets all other eligibility requirements under this Rider, and submits a completed application on or before June 24, the customer can commence service under this Rider as of July 1. Otherwise, the Company will accept applications by April 1 for a May 1 commencement date, and by May 1 for a June 1 commencement date. However, if the application is received by April 1 and the Company does not bill the participant monthly using interval metering at the time of application, participation may commence on July 1 provided all conditions described in the Metering section are satisfied. The desired commencement month must be specified in the application. Applications will not be accepted after the specified date for participation during the current Capability Period. When the first of the month falls on a weekend or holiday, applications will be accepted until the first business day after the first of the month.
- (B) A Direct Participant or Aggregator may apply in writing to change the CBL Verification Methodology, to change the kW of pledged Load Relief, or to terminate service under this Rider for the upcoming Capability Period provided the request is received prior to commencing participation for that Capability Period. In order for a Direct Participant or Aggregator to increase its kW of contracted Load Relief, the Direct Participant's or Aggregator's most recent Performance Factor must be no less than 1.00.
