## GENERAL INFORMATION

### 13. SERVICE CLASSIFICATION RIDERS (Continued)

#### RIDER F (Continued)

#### DISTRIBUTION LOAD RELIEF PROGRAM

##### DATA REVIEW (Continued)

If the Company determines that a Direct Participant, Aggregator, or customer of an Aggregator failed to cooperate fully and promptly with the review and/or did not fully comply with the provisions of this Rider and/or provided inaccurate data, the Direct Participant, Aggregator or the customer of the Aggregator will be deemed ineligible to participate in the program until the issue is rectified. In addition, the Direct Participant or Aggregator will be required to make prompt repayment to the Company of any overpayments that were made to such Direct Participant or Aggregator, on behalf of its customer, for the Capability Period that was reviewed as well as the current Capability Period, if different.

##### AGGREGATION

- (A) All customers of an Aggregator must meet the metering and telecommunications requirements of this Rider.
- (B) An Aggregator is responsible for the compliance of all customers it enrolls and will be liable for performance, including, as applicable, repayments to the Company.

##### RESERVATION PAYMENT OPTION

- (A) Applicability

A Direct Participant or Aggregator will receive a Reservation Payment if such Direct Participant or Aggregator agrees in writing to provide Load Relief for no less than four consecutive hours during each designated Load Relief Period up to six designated Load Relief Periods, during the effective Capability Period. For seven or more designated Load Relief Periods, participation by the Direct Participant or Aggregator will be optional and Performance Factor calculations will only be applied to the Reservation Payment if the current month Performance Factor is higher than the prior month. Performance during these events will be paid at the rate specified in the Voluntary Participation Option section of this Rider.
