12.1 DATA SERVICES (Cont'd)

P. Termination Liability

To terminate Private Line Services the customer must provide the Company with thirty (30) days prior written notice.

Customers terminating service prior to fulfilling their term commitment will be assessed a termination liability in an amount equal to a lump sum of fifty percent (50%) of the monthly recurring charges for each circuit cancelled multiplied by the number of months remaining in the term plan. Customer will not have any termination liability if another Company service of the same or greater monthly price and volume and a term no less than the remaining months of the term plan or one (1) year, whichever is greater, is ordered at the same time the notice of termination is received. Customer will also be liable for a pro-rata amount of any waived installation charges based on the number of months remaining in the term plan.

If service is terminated by the Company for cause and the customer has subscribed to service under a term plan, the customer will be charged the termination liability associated with the term plan.
