12. OBSOLETE PRIVATE LINE SERVICE OFFERINGS

12.1 DATA SERVICES

D. Obligations of the Customer (Cont'd)

In compliance with the obligations imposed on the Company by the Federal Communications Commission, customer represents and warrants, on behalf of itself and its affiliates, subsidiaries, and agents, that it is not a reseller and that it does not intend to resell the services or engage in other activity that would require the Company to verify customer's authorization as a reseller as required by 47 CFR 64.1195. If customer or its affiliates, subsidiaries, or agents breach these representations or warranties, this agreement will terminate immediately and subject customer to the liability imposed for termination by the Company for material breach. These provisions are not intended to prohibit resale, but are intended to prevent misrepresentations by resellers in an attempt to circumvent the rules or regulations of the FCC, or other governmental bodies with jurisdiction over the provision of communications services for resale.

E. Minimum Service Period

The minimum service period is one year.

F. Connection With Other Communications Services

A customer may connect communications services provided by other duly authorized and regulated common carriers to the Company's service. A customer may also connect with privately owned communications systems, subject to the technical limitations established by the Company.

G. Alternative Access Facilities

The Company will undertake to provide Alternative Access Facilities as requested and ordered by the customer when such facilities are available and approved by the Company. At the discretion of the Company, such alternative access facility arrangements also may be utilized in lieu of LEC facilities. Access provided via alternative access facilities will be charged according to the rates and charges set forth in this Tariff unless Special Service Arrangements are involved as described in this Section.
