

CenturyLink Communications, LLC
PSC NO. 1 - TELEPHONE
Interexchange Services
Effective Date: July 23, 2015

Section 10
Leaf 4
Revision: 0
Superseding Revision:

10. OPERATOR SERVICES

10.1 GENERAL

10.1.1 DEFINITION OF TERMS

Operator Assisted Calls (Cont'd)

- Third Party Calls

Calls for which charges are billed, not to the originating telephone number, but to a third party telephone number which is neither the originating nor the terminating telephone number.

Operator Services

The operators, activities, equipment or services necessary to process Operator Assisted Calls.

Operator Surcharge

A non-usage (fixed) charge, which is added to a usage charge in calculating the total tariffed charges due for a completed Operator Assisted Call.

Service Area

The CenturyLink Service Area includes the entire State of New York.

Service Offering

The operator assisted services of CenturyLink consist of the provision of collect, approved telephone company calling card, billed to a third number (third party) and Person-to-Person call services provided to users pursuant to arrangements established by CenturyLink's subscribers.

Issued by: Chantel Mosby
