SECTION 3 – DIRECTORY LISTINGS

A. ALPHABETICAL DIRECTORY (cont'd)

2. Composition of Listings (cont'd)

d. Telephone Numbers

Each listing may include only one telephone number.

A listing may include only the telephone number of the first line of a PBX system or incoming service group of individual lines, except that a trunk not included in the incoming service group of a PBX system or the first trunk of a separate incoming service group of a PBX system may be listed to meet special conditions as, for example, where a corporation and its subsidiaries use the same PBX system.

Each PBX station equipped for direct inward dialing may be listed at the applicable rate for listings in excess of the allowance for free listings.

3. Types of Listings

a. Additional Standard Listings

A Standard Listing is the type of listing which may include a name, designation, address and telephone number to appear in the information records and the alphabetical directory for the territory in which the telephone service is located.

b. Non Listed

A listing that is available in directory assistance but not printed in the telephone directory.

c. Extra Line of Information

Descriptive text that does not have a telephone number

d. Foreign Listing

A listing appearing in a directory other than the directory in which local exchange service is furnished or associated with a service provider that does not have a directory listing agreement in place.
