4. OBSOLETE CONSUMER LONG DISTANCE SERVICE OFFERINGS

4.4 CALLING PLANS (Cont'd)

5. Rollback

a. General Description

The Rollback offering provides the customer with lower per minute rates for an interstate monthly fee. The monthly fee is reduced each month and after five months, the fee is at its lowest rate. The monthly fee and intrastate calls are charged at the rates specified below. The customer automatically receives the Home 800 product described elsewhere with this offering.

b. Billing/Rounding

All calls on service subscribing to Rollback are rounded to the next full minute.

c. Terms and Conditions

The full monthly rate applies to the first billing month. For each subsequent month, the monthly rate is reduced by \$1.00 until the rate is \$0.95. The monthly rate remains \$0.95 as long as the customer remains with CenturyLink on this plan.

The monthly fee applies for every 2 lines up to a maximum of 50 lines. The additional monthly fees are applied in the same manner as the first line(s).
