4. OBSOLETE CONSUMER LONG DISTANCE SERVICE OFFERINGS

4.3 TRAVEL SERVICES (Cont'd)

G. 1-800-487-9378 Calling Service

1. Description

1-800-487-9378 Calling Service provides a billing alternative for calls made by residence and business customers. Customers access an interactive voice response platform via a 1-800 number for use when traveling.

2. Terms and Conditions

- a. Allows the customer to use the 1-800 number to place alternately billed calls at a special rate that is not sensitive to distance, time of day, or day of week.
- b. The 1-800-487-9378 calling service is only available to customers with Qwest local service.
- c. Allows the customer to use the 1-800 number to place mechanized calling card calls to access directory assistance (1-NPA-555-1212). Rates for directory assistance are specified in Section 10 of the Addendum.
- d. The Payphone Surcharge applies to all calls placed from pay telephones. This charge is in addition to all other applicable 1-800 Calling Service charges. The payphone surcharge rate is specified in Section 10 of the Addendum.
- e. Operator assisted charges apply and are in addition to the rates below. Operator assisted charges are specified in Section 10 of the Addendum.
- f. The 1-800-487-9378 per minute rate is for a connection of one minute or any fraction thereof. Calls are billed in full minute increments.
