a. General Description

The Choice Long Distance Plan is offered to residential customers for intraLATA and interLATA, direct dialed (1+), intrastate (in-state), non-business, voice calling. The Choice Long Distance Plan offers subscribing customers these services with a maximum monthly charge for qualifying calls and recurring monthly plan fees. The Choice Long Distance Plan is available only when a corresponding interstate Choice Long Distance Plan is ordered and provisioned on the same line, and the fees, charges and rates, including usage charges, billed as part of the corresponding interstate Plan (excluding taxes, regulatory assessments, and the like) also apply to and count toward the maximum monthly charge for that month..

b. Terms and Conditions

- (1) The Plan is provided only in conjunction with the corresponding interstate Choice Long Distance Plan available to the residential customer ordering the Plan. Applicable rates for the corresponding interstate Plan, including rates for interstate usage and additional monthly charges, if any, are set out in the Company's Interstate Rates and Services Schedule for the corresponding interstate Plan.
- (2) The Plan is not offered for intraLATA only, or interstate only use.
- (3) Call detail is provided.
- (4) The Company may take any other action permitted by this Tariff and applicable laws and regulations where misuse, abuse, improper use or a violation hereof is detected.
