The credit will be applied in the actual month in which the usage occurred. Month-to-Month customers are not eligible for the Plus Program.

k. CenturyLink Calling Card

CenturyLink Calling Card described in Section 5.3 is available to CenturyLink guaranteed customers.

l. Enhanced Toll Free Features

CenturyLink guaranteed offers Enhanced Toll Free Features for all CenturyLink guaranteed customers. If the customer signs a term commitment, the customer is eligible to receive selected features at a packaged rate or the customer can subscribe to features individually.

m. CenturyLink Guaranteed – FramePlus

- (1) FramePlus frame relay service is a public, fast-packet data network offering. Customers access FramePlus at CenturyLink's closest Points of Presence (POPs). Within the POP, CenturyLink designs and installs Network Node connections on the FramePlus network. A Network Node is comprised of a Port Connection and Permanent Virtual Circuits (PVCs) that define the connections between customers' ports. CenturyLink dynamically allocates capacity across these logically assigned PVCs, supporting multiple customer data networks.
