Interexchange Services  
Effective Date: July 23, 2015

Section 2  
Leaf 23  
Revision: 0  
Superseding Revision:

## 2. GENERAL REGULATIONS

### 2.2 ESTABLISHING AND FURNISHING SERVICE

#### 2.2.2 OBLIGATION TO FURNISH SERVICE

##### N. Access Arbitrage, for purposes of this provision: (Cont'd)

- h. Sending calls identified as Mobile Terminated Calls, or as another termination type to which a surcharge or other differential rate for termination applies, when the called station or termination point is not in fact mobile terminated, or the termination type as to which the surcharge or other differential rates applied.

##### O. Access Arbitrage Fee

1. When the Company determines that the customer has violated this provision, the Access Arbitrage Fee will apply. In addition, the Company may immediately restrict, suspend or discontinue customer's use of any service used in connection with Access Arbitrage upon notice of such violation to customer. Further, the Company may prevent conversion to another the Company service arrangement of any facility used to provide a service in violation of this provision.
2. The Access Arbitrage Fee will be assessed in addition to the customer's current charge for each minute of use of long distance service for High Cost Calls in excess of 20%.

Inbound and Outbound Arbitrage Access Fee per minute rate

Switched	\$0.10
Dedicated	0.05

##### P. Interconnection with Other Carriers

Service furnished by the Company may be connected with services or facilities of another participating carrier, authorized user, or joint user. Such interconnection may be made at a Company terminal or entrance facility, at a terminal of another carrier, or at the premises of a customer or an authorized user. Service furnished by the Company is not part of a joint undertaking with such other carriers.

Any special interface equipment or facilities necessary to achieve compatibility between the facilities of the Company and other carriers shall be provided at the customer's expense. Upon written request and acting as his authorized agent, the Company will use its best efforts to make the necessary arrangements for such interconnection.
