2. GENERAL REGULATIONS

2.2 ESTABLISHING AND FURNISHING SERVICE

2.2.2 OBLIGATION TO FURNISH SERVICE

P. Interconnection with Other Carriers (Cont'd)

Service furnished by the Company may be interconnected with the facilities or services of another carrier under the terms and conditions of tariffs applicable to such connections. Service may not be arranged for resale by any customer, user, or other entity without the prior written consent of the Company.

The Company may order interconnection facilities and/or initiate the presubscription process on behalf of a customer if the customer furnishes the Company with a letter of agency. The customer's use of such interconnection facilities shall conform to the regulations, terms, and conditions under which the carrier provides such access. The customer shall bear the ultimate responsibility for all aspects of the local interconnection facility including, but not limited to, ordering, testing, installation, maintenance, use, and payment of such facilities.

2.2.3 RESERVED FOR FUTURE USE

2.2.4 LIMITED COMMUNICATION

Under certain circumstances, as described below, a customer's long distance service may be suspended, and the customer routed to a receivable operator if the customer has incurred significant pre-bill charges and one or more of the following apply:

- A. The customer does not have credit information available from one of the major credit reporting agencies;
- B. The customer has poor credit based on industry standards;
- C. The customer has not paid a bill in a timely manner; or
- D. The customer's usage resembles fraudulent usage.
