## **2. GENERAL REGULATIONS**

### **2.2 ESTABLISHING AND FURNISHING SERVICE**

#### **2.2.2 OBLIGATION TO FURNISH SERVICE (Cont'd)**

- I. Neither Subscribers nor their authorized users may use the services furnished by the Company for any unlawful purpose, including service configurations of switched services which, as a result of sharing thereof, are the equivalent of a service configuration which exceeds the scope of the Company's applicable authorization.
- J. Subscribers will promptly cooperate with the Company to prevent unauthorized access by third parties of the services furnished by the Company.
- K. Use and restoration of the service furnished by the Company will be in accordance with Part 64, Subpart D of the Federal Communications Commission Rules.
- L. Customers are responsible for notifying the Company when new lines are added to their account. New lines will not receive the rates associated with the customer's account until the Company has been notified to add those lines to the customer's account. Calls placed over such new lines will be rated as Casual Caller calls until the lines have been added to the customer's account.
- M. The use of any feature including, but not limited to, call forwarding, on a planned and continuing basis to allow an originating caller to avoid long distance charges is prohibited.
