2. GENERAL REGULATIONS – CONDITIONS OF OFFERING

2.1 DEFINITIONS (Cont'd)

Contributory Services

Those services that contribute towards the overall commitment but are not discountable according to the master discount schedule (ie. CenturyLink Total Advantage). By contributing towards the overall commitment level, these services will increase the discount level that is applied to the Discount Eligible category of services under the contract. These services will continue to receive discounts as designated in individual service contracts. Contribution levels will be based on Monthly Recurring Charges (MRCs) for these services.

CPE

Customer-Provided Equipment (CPE) Telecommunication devices, equipment, and associated wiring located on the customer's side of the protector/Standard Network Interface (SNI).

Customer

Any person, firm, partnership, corporation, municipality, cooperative organization, governmental agency or other entity to whom the Company agrees to furnish communications service under the provisions and regulations of this Tariff.

Deposit

Any payment held as security for future payment or performance to be returned after the customer establishes a record of satisfactory credit.

Discount Eligible Service

Discount Eligible Services contribute toward the overall commitment level (ie. Total Advantage). Discount eligible products that bill on the same billing system can aggregate towards predetermined discount levels, meaning the more spent on this common group of products, the higher the customer's discount will be. Contribution levels will be based on monthly recurring charges (MRCs), counted towards the contract commitment levels and receive term and volume discounts where applicable.
