2. GENERAL REGULATIONS – CONDITIONS OF OFFERING

2.3 ESTABLISHING AND FURNISHING SERVICE (Cont'd)

2.3.2 OBLIGATION TO FURNISH SERVICE

- A. Facilities and lines furnished by or through the Company on the premises of a customer, authorized user or agent of the customer are the property of the Company and are provided upon the condition that such facilities and lines must be installed, relocated, rearranged and maintained by the Company, and that the Company's employees and agents may enter said premises at any reasonable hour to test and inspect such facilities and lines in connection with such purposes, or upon termination or cancellation of the service, to remove such facilities and lines.
- B. The Company's obligation to furnish service or to continue to furnish service is dependent on its ability to obtain, retain and maintain suitable rights and facilities, and to provide for the installation of those facilities required incident to the furnishing and maintenance of that service.
- C. The Company's obligation to furnish service or to continue to furnish service is dependent on the customer's prompt payment record with the Company and its actual payments for existing service. For a new customer, it is based on credit worthiness, which will be determined in an equitable and nondiscriminatory manner.

2.3.3 LIMITED COMMUNICATION

The Company reserves the right to limit use of communication services when emergency conditions cause a shortage of facilities.

2.3.4 PAYMENT ARRANGEMENTS

The customer is responsible for payment of all charges for services furnished by the Company to the customer and/or authorized users. This responsibility is not changed by virtue of any use, misuse, or abuse of the customer's service or customer-provided equipment or facilities by third parties, including, without limitation, the customer's employees or the public.
