2. GENERAL REGULATIONS – CONDITIONS OF OFFERING

2.3 ESTABLISHING AND FURNISHING SERVICE (Cont'd)

2.3.6 TERMINATION OF SERVICE

A. Initial Service Periods

1. The initial service period for service and facilities is one month (30 days), except as otherwise specified.
2. Initial service periods for service or facilities of any class will be greater than those specified herein whenever that is required in order for the Company to protect itself from making an unwarranted investment because the customer's location or the character of the service required is such that upon termination of the customer's contract the facilities which have been constructed or installed to render the service are not likely to be useful for furnishing service to any other customer.
3. Service may be terminated prior to the expiration of the initial service period upon payment of all charges due for service which has been furnished plus the termination charges as specified in this Tariff, or in the terms of the service agreement. In the case of service for which the initial period is one month, the charges due are for the balance of the month.

B. Termination Liability/Waiver Policy

Services provided via service agreements may include the Termination Liability/Waiver Policy. This policy applies only to services that specifically reference this Termination Liability/Waiver Policy as described in this Tariff.

1. Minimum Billing Level will be established for use in calculating discontinuance charges. The Minimum Billing Level is 100% percent of the total monthly rates for the service provided under the terms of the customer's service agreement, unless otherwise specified.
2. Minimum Service Period is the period of time that the factor of the Termination Liability Charge would apply.
