## SECTION 2 – REGULATIONS

### 2.1 UNDERTAKING OF THE COMPANY (Cont'd)

#### 2.1.3 TERMS AND CONDITIONS

- A. Except as otherwise provided herein, service is provided on the basis of a minimum period of at least one month, and shall continue to be provided until canceled by the customer, in writing, on not less than 30 days notice. Unless otherwise specified herein, for the purpose of computing charges in this Tariff, a month is considered to have 30 days. All calculations of dates set forth in this Tariff shall be based on calendar days, unless otherwise specified herein.
- B. Customers may be required to enter into written Service Orders which shall contain or reference the name of the customer, a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this Tariff.
- C. At the expiration of the initial term specified in each Service Order, or in any extension thereof, service shall continue on a month to month basis at the then current rates unless terminated by either party upon 30 days written notice. Any termination shall not relieve customer of its obligation to pay any charges incurred under the Service Order and this Tariff prior to termination. The rights and obligations which by their nature extend beyond the termination of the term of the Service Order shall survive such termination.
- D. This Tariff shall be interpreted and governed by the laws of the State of New York without regard for its choice of laws provision.
- E. The customer has no property right to the Telephone number or any other call number designation associated with services furnished by the Company. The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, assigned to the customer, whenever the Company deems it necessary to do so in the conduct of its business.
- F. The customer agrees to operate Company-provided equipment in accordance with instructions of the Company or the Company's agent. Failure to do so will void Company liability for interruption of service and may make the customer responsible for damage to equipment pursuant to 2.1.3.G., following.
