SECTION 3 - SERVICE AND RATE DESCRIPTIONS, (CONT'D.)

3.2 InterLATA Calling Service

3.2.1 Description

InterLATA Calling Service is an interLATA long distance service that is flat rated and is billed in six (6) second increments. Service is available to Customers over the Company's switched or switchless access lines. No minimum volume commitment is required.

Service is available only in conjunction with the Customer's subscription to the Company's local exchange services. For Customers subscribing to the Company's local exchange services, service is available on a Switchless basis or provisioned on a Dedicated Long Distance facility. If the Customer discontinues services with the Company such that the only remaining service is Switchless and/or Dedicated Long Distance Services, the Company reserves the right to discontinue the Switchless and/or Dedicated Long Distance Services upon providing the Customer a 30-day advance notice of disconnection. The Company may waive the Local Exchange Service requirement for Dedicated Long Distance facility on an individual case basis.

This service is available to Customers that subscribe to the Company's Local Exchange Services in a minimum of one location. Customers that meet the minimum requirement may also purchase service at locations where they do not subscribe to the Company's Local Exchange Services and / or subscribe to dedicated on-net direct dial service over the Company's carrier's digital network utilizing a DS1 connection between the Company's switch and the carrier's nearest hub. All off-net services will be handled on a contractual basis only.
