LOCAL EXCHANGE SERVICES TARIFF

SECTION 9 - GRANDFATHERED SERVICES, (CONT'D.)

9.17 Business Terminals Service

This service is grandfathered and is only available to existing Customers at existing locations without modification as of January 9, 2014.

9.17.1 Service Descriptions

A Business Terminal is generally used in a hunting arrangement or a multi-line hunt group. The group may have a main telephone number assigned to the first terminal in the group or they may have individual telephone numbers assigned to each terminal. Common applications include modem pools and large hunting applications for analog lines. Business Terminals have a physical appearance in the switch and are assigned to a unique channel. Business Terminals may or may not have a telephone number assigned to them. Additionally, Business Lines can have separate and unique features per line whereas Business Terminals may or may not take on characteristics of the group.

The Business Terminals Service Customer who selects line based channels is also eligible to purchase the Premium Feature Package as defined in Section 5.18.
