## (5) Billing Applicable to Each Account Supplied by the Generating Facility's Output

## (i) For Accounts Supplied Under the Single Party Offset

"Allocated As-Used Generator Demand" means, for each account supplied by the generating facility's output, the demand registered on the account's meter(s) multiplied by the lower of: (a) 1 or (b) the ratio of the demand registered on the primary meter(s) measuring the generating facility's output to the sum of demands registered on the meters of all Standby Service accounts supplied by the generating facility's output.

"Allocated Generator Supply" means, for each account supplied by the generating facility's output, the total kWh registered on the account's meter(s) multiplied by the lower of: (a) 1 or (b) the ratio of the total kWh registered on the primary meter(s) measuring the generating facility's output to the sum of the kWh registered on the meters of all Standby Service accounts supplied by the generating facility's output.
