**SERVICE CLASSIFICATION NO. 25 (Continued)****SPECIAL PROVISIONS: (Continued)**

## (G) Standby Reliability Credit (Continued)

"Summer Period" is June 1 through September 30.

A customer seeking a Credit must request such Credit by October 1 of each year for which the credit is sought and, at the same time, specify the Outage Events the customer requests to be excluded from the Measurement Period. If October 1 falls on a weekend or holiday, the Company will accept requests until the next business day.

The Credit for any Measurement Period will be equal to the product of: (a) the difference between the customer's contract demand and customer's highest recorded demand during the Measurement Period, excluding Outage Events, and (b) the contract demand Delivery Charge per kW that is in effect on October 1 of the year in which the Credit is determined. The Credit will be applied to the customer's successive 12 monthly bills commencing in November until the following October. If a customer is billed under Special Provision F of this Service Classification, the Outage Events for all Recipient Accounts shall be the same and shall be specified by the Sponsor. Each Recipient Account's Credit will be calculated individually.

## (H) All requests for service under this Service Classification must be made in writing.
