SERVICE CLASSIFICATION NO. 5

SECURITY LIGHTING SERVICE

APPLICATION TO USE OF SERVICE FOR:

Lighting of public streets, roads, alleys, and highways, and the outdoor lighting of public parks and playgrounds, and of public school district property provided said equipment is, and remains, readily accessible for maintenance purposes.

CHARACTER OF SERVICE:

Unmetered lighting service, dusk-to-dawn, and at other times of abnormal darkness, approximately 4200 hours annually.

RATES:

Mercury Vapor	High Pressure Sodium
175W: \$6.91	150W: \$4.23
250W: \$4.75	250W: \$6.70
400W: \$4.75	400W: \$8.43

POLE RENTAL CHARGE:

When suitable wood poles are available on the Village of Solvay Electric Department existing distribution circuits or customer's existing service lateral, no additional charge will be made for attachment of lamps served under this Service Classification. A maximum of one additional wood/fiberglass pole for each lamp served will be installed, owned, and maintained by the Village of Solvay Electric Department for a monthly rental of \$1.00 per pole.

Issued by: Gail Tarolli, Village Clerk, 1100 Woods Rd., Solvay, NY 13209
