INTRASTATE ACCESS SERVICE

6. Switched Access Service (cont'd)

6.4 Rate Regulations (cont'd)

6.4.1 Description and Application of Rates and Charges (cont'd)

B. Nonrecurring Charges (cont'd)

2. Interim NXX Translation Optional Feature

This nonrecurring charge applies to the initial order for the installation of the Interim NXX Translation optional feature with Feature group D Switched Access Service and for each subsequent order received to add or change NXX Translation codes. This charge, if applicable applies whether this optional feature is installed coincident with or at any time subsequent to the installation of Switched Access Services. This charge is applied by the Company per order, per LATA or Market Area. Interim NXX Translation Optional Feature (cont'd)

When it is necessary for multiple Companies to provide the translation function, the nonrecurring charge is assessed only by the Company that provides the final translation function which identifies the Customer's traffic and this traffic is then delivered to the Customer's point of termination without any further translation.

3. Service Rearrangements

All changes to existing services other than changes involving administrative activities, will be treated as a discontinuance of the existing service and an installation of a new service. The nonrecurring charge described in (1) proceeding will apply for this work activity. Moves that change that physical location of the point of termination are described and charged for as set forth in Section 6.4.4 following.
