Certain terms used herein are defined as follows:

Access Code

The term “Assess Code” denotes a uniform five or seven digit access code assigned by the Company to an individual Customer. The five digit access code has the form 10XXXX, and the seven digit code has the form 950-1XXX or 950-0XXX.

On the terminating end of an intrastate or foreign call, usage is measured from the time the calls are received by the end user in the terminating exchange. Timing of usage at both originating and terminating ends of an intrastate or foreign call shall terminate when the calling or called party disconnects, whichever event is recognized first in the originating and terminating exchanges, as applicable.
