## INTRASTATE ACCESS SERVICE

### 8. Billing and Collection Services

The company will provide the following services: Billing Name and Address (BNA) Service and Automatic Number Identification (ANI) Service. All other Billing and Collection Services are Non-Bottleneck Services. Non-Bottleneck Services are provided pursuant to contract executed between the Company and requesting parties.

#### 8.1 Billing Name and Address Service

Billing Name and Address (BNA) Service is the provision of the complete billing name, street address, city or town, state and zip code for a telephone number assigned by the Company.

BNA Service is provided for the sole purpose of permitting the Customer to bill its telephone communications services to its end users and may not be resold or used for any other purpose, including marketing activity such as market surveys or direct marketing by mail or by telephone.

The Customer may not use BNA information to bill for merchandise, gift certificates, catalogs or other services or products.

##### 8.1.1 General Description

BNA Services is provided on a manual basis. On a manual basis, the information will be provided by voice telecommunications or by mail, as appropriate.

BNA information is furnished for sent-paid, collect, bill to third number, 700 and 900 service messages and messages charged to a calling card that is resident in the Company's database. In addition, BNA information for messages originated from data terminal numbers (DTNs) of data communications services is furnished on a manual basis only.
