INTRASTATE ACCESS SERVICE

16. Special Construction (cont'd)

16.2 Regulations

16.2.1 Ownership of Facilities

The Company providing specially constructed facilities under the provisions of this tariff retains ownership of all facilities.

16.2.2 Interval to Provide Facilities

Based on available information and the type of service ordered, the Company will establish a completion date for the specially constructed facilities. If the scheduled completion date cannot be met due to circumstances beyond the control of the Company, a new completion date will be established and the Customer will be notified.

16.2.3 Special Construction Involving Both Interstate and Intrastate Facilities

When special construction involves facilities to be used to provide both interstate and intrastate services, charges for the portion of the construction used to provide intrastate service shall be in accordance with this section. Charges for the portion of the construction used to provide interstate service shall be in accordance with the company's interstate access tariff.

16.2.4 Payments for Special Construction

A. Payment of Charges

All bills associated with special construction charges are due in accordance with the appropriate regulations in this tariff.

B. Start/End of Billing

Billing of recurring charges for specially constructed facilities starts on the day after the facilities are made available for use. Billing accrues through and includes the day that the specially constructed facilities are discontinued.
