D. Types of Liabilities and Charges (cont'd)

1. Non-recurring Charge (cont'd)

f. Special Construction of Facilities for Use for less than One Month (cont'd)

In addition to the case preparation charge component, this non-recurring charge recovers all elements of cost, including engineering, shipping of equipment, equipment installation, line-up, equipment leasing, space rental, equipment removal, and any other costs associated with the construction of the facilities.

2. Maximum Termination Liability and Termination Charge

A Maximum Termination Liability is equal to the non-recoverable costs associated with specially constructed facilities and is the maximum amount which could be applied as a Termination Charge if all specially constructed facilities were discontinued before the Maximum Termination Liability expires.
