4.12. Costs of Collection and Enforcement Proceedings

In the event Carrier is required to initiate legal proceedings to collect any amounts due to Carrier for services, equipment, or facilities, or to enforce any judgment obtained against the Customer, or for the enforcement of any other provision of this tariff or applicable law, Customer shall, in addition to all amounts due, be liable to Carrier for all reasonable costs incurred by Carrier in such proceedings and enforcement actions, including reasonable attorneys' fees, collection agency fees or payments, and court costs.

In any such proceeding, the amount of collection costs (including attorneys' fees) due the Carrier will be determined by the Court.

4.13. Interconnection

Service furnished by the Carrier may be interconnected with services, equipment, or facilities of other authorized communications common carriers and with private systems, subject to technical limitations established by the Carrier. Service furnished by the Carrier is not part of a joint undertaking with such other carriers. Any special interface equipment or facilities necessary to achieve compatibility between the facilities of the Carrier and other participating carriers shall be provided at the Customer's expense.
- b. Interconnection with the facilities, equipment, or services of other carriers shall be under the applicable terms and conditions of the other carriers' tariffs.
