Section 4 – INTRALATA TOLL USAGE AND MILEAGE CHARGES

4.1 GENERAL

4.1.1 Description

IntraLATA toll service is furnished for communication between telephones in different local calling areas within a particular LATA in accordance with the regulations and schedules of charges specified in this tariff. The toll service charges specified in this section are in payment for all service furnished between the calling and called telephone, except as otherwise provided in this Tariff.

IntraLATA toll calling includes the following types of calls: direct dialed, calling card, collect, 3rd number billed, special toll billing, requests to notify of time and charges, person to person calling and other station to station calls.

4.1.2 Classes of Calls

Service is offered as two classes: station to station calling and operator assisted calling.

- a) Station to Station Service is that service where the person originating the call dials the telephone number desired.
- b) Operator Assisted Service is that service where the person initiating the call requires the assistance of an automated or live operator. Surcharges apply for such calls in addition to base rates.
