Section 2 – GENERAL RULES AND REGULATIONS (cont'd)

2.4 PAYMENT FOR SERVICES RENDERED

2.4.1 Responsibility for All Charges

Any applicant for facilities or service may be required to sign an application form requesting the Company to furnish the facilities or service in accordance with the rates, charges, rules and regulations from time to time in force and effect. The customer is responsible for all local and toll calls originating from the customer's premises, whether or not made with the permission or knowledge of the customer, and for all calls charged to the customer's line where any person answering the customer's line agrees to accept such charge whether or not accepted with the permission or knowledge of the customer.

2.4.2 Deposits

Subject to special provisions as may be set forth below and in Sections 2.10 and 2.11 of this Tariff, any applicant or customer whose financial responsibility is not established to the satisfaction of the Company may be required to deposit a sum up to an amount equal to the total of estimated charges (including recurring, non-recurring, and usage charges) for two months for the facilities and service. If the minimum period of service for the requested facilities and service is more than one month, as specified in this Tariff, the customer may also be required to deposit a sum up to an amount equal to the total charges for service for the minimum service period less any connection charge paid by the customer.

The fact that a deposit has been made shall in no way relieve the applicant or customer from complying with the Tariff regulations for the prompt payment of bills on presentation.
