PSC No: 16 - Gas
Rochester Gas and Electric Corporation
Effective Date: May 1, 2017
Issued in compliance with Order in Case 15-G-0286, dated June 15, 2016.

Leaf No. 157
Revision: 0
Superseding Revision:

SERVICE CLASSIFICATION NO. 16**INTERRUPTIBLE TRANSPORTATION SERVICE****APPLICABLE TO THE USE OF SERVICE FOR:**

Interruptible Transportation Service to existing sales service customers taking service under this Schedule, or superseding issues thereof, or new customers. Any customer taking service hereunder must qualify for service under Service Classification No. 15 - Interruptible Sales Service.

CHARACTER OF SERVICE:

Transportation of Customer-owned, pipeline quality, natural gas shall be on an interruptible basis from a receipt point within the Company's service territory to which this Schedule applies to the facilities at the Customer's existing delivery point. The Company shall control the dispatch of such gas, and dispatch shall be provided as requested by the Customer, in accordance with General Information Rule 10 of this Schedule, provided, however, that acceptance of the Customer's application shall be conditioned upon the availability of the Company's system capacity.

PRICE: (Per Month)

A Minimum Monthly Charge, which includes the first 1,000 Therms of usage, and the price per Therm for usage in excess of 1,000 units shall be determined monthly at the sole discretion of the Company. The Minimum Monthly Charge shall be as set forth under Service Classification No. 3 plus the applicable price per Therm, multiplied by 1,000.

A Bill Issuance Charge of \$0.72 per bill as described in Rule 10.F.3 of this Schedule. The price per Therm, over the term of the service, shall be not less than \$.00100 plus the applicable revenue taxes and not more than the applicable Firm Transportation Rate, as set forth under Service Classification No. 3, adjusted by the applicable surcharges and taxes. The price may be outside the monthly maximum or minimum in any given month so long as the average price over the term is within the average maximum or minimum. The Minimum Monthly Charge and the price per Therm for the following characteristics of service shall be established each month and stated on the effective Interruptible Transportation Rate Statement applicable to the appropriate area: Usage, Alternate Fuel/Access to Alternate Fuel; Tax Exemption Status; and Other Market Conditions as specified on the Interruptible Rate Statement.

The price shall be applicable to transportation customers who contract for transportation service. The price may be revised monthly.
