## **SERVICE CLASSIFICATION NO. 15**

### **INTERRUPTIBLE SALES SERVICE**

#### **APPLICABLE TO THE USE OF SERVICE FOR:**

Interruptible Service when the Company has facilities available and adequate for the load. Customer must purchase under this Service Classification in a minimum of 40,000 therms per billing month.

#### **CHARACTER OF SERVICE:**

Interruptible - natural gas or a mixture of natural gas and synthetic natural gas of not less than 1,000 Btu per cubic foot, supplied at pressures within the limits prescribed by the Public Service Commission.

#### **PRICE: (Per Month)**

The monthly price per therm shall be established, at the sole discretion of the Company. Prices shall be based on market conditions for customers using the following characteristics: usage; alternate fuel/access to alternate fuel; tax exemption status; and other market conditions as specified on the Interruptible Rate Statement.

The Company shall determine the applicable price for each customer receiving service under this Service Classification. Such prices shall NOT be less than the current market price of gas to be sold to these customers based on information received during the bid period for the following month plus \$.001 per Therm (minimum price). For each Customer, the average maximum price over the term of the Service Agreement shall be less than or equal to what the Customer, in the Company's determination, would have paid for the applicable alternate fuel. The price may be outside the monthly maximum or minimum in any given month so long as the average price over the term of the Service Agreement is within the average maximum or minimum. The price shall be applicable to customers who contract for Interruptible Sales Service, at monthly prices, as specified on the Interruptible Rate Statement.

A Customer that fails to meet the requirements set forth under Special Provisions - Distillate Fuel Customers and Special Provisions - Human Needs Customers of this Service Classification shall be assessed a premium equal to the greater of 130% of the applicable gas equivalent alternate fuel price or 130% of the otherwise applicable sales price, as determined by the Company, per therm. The premium shall be applied for the billing period during which noncompliance becomes known and for each subsequent billing period, until the Customer has provided sufficient evidence, as determined by the Company, that it has fully complied with the requirements set forth under Special Provisions - Distillate Fuel Customers and Special Provisions - Human Needs Customers.
