## GENERAL INFORMATION

### 2. RULES RELATING TO THE INSTALLATION OF MAINS, SERVICES, EXTENSIONS, ETC.: (CONT'D)

#### B. (Cont'd)

If due to unusual circumstances the actual cost per foot of a particular installation is greater than two times the Company's average cost per foot of new installations for service for the 12 months ended September 30 of the previous year, it may apply to the Commission for relief from so much of this section as it deems necessary in order to provide the service.

#### C. The Company shall furnish, place and construct all mains, service lines, service connections and appurtenant facilities necessary to render the service requested. Service lines shall be constructed to the closest, suitable meter location. The cost and expense which the Company must bear shall be:

- (1) The material and installation cost relating to:
  - (a) Up to 100 feet of main and appurtenant facilities; and
  - (b) The service line located within the public right-of-way plus a portion of service beyond the public or private right-of-way (or the main if it is closer to the customer and development shall be limited to one side of the right-of-way for at least 10 years), equal to the greater of 100 feet or footage equivalent to 70% of the estimated annual revenue. The cost shall be determined as defined in Rule 13 of this Schedule; and
- (2) The amounts legally imposed by governmental authorities for obtaining required work permits and for repairing or replacing disturbed pavement.

#### D. Obligations of All Applicants

An applicant shall first have:

- (1) assured the Company that they shall be a reasonably permanent customer;
- (2) agreed in writing to pay to the Company;
  - (a) the material and installation costs relating to any portion of the service line, service connections and appurtenant facilities located on his/her property that exceeds the portion which the Company is required to install without charge;
  - (b) any surcharge relating to the portion of the main and appurtenant facilities that exceeds the portion which the Company is required to install without charge; and
  - (c) the rates charged like customers; and
