**SECTION 7 - SPECIAL ARRANGEMENTS (CONT'D)**

**7.2 Non-Routine Installation and/or Maintenance**

At the Customer's request, installation and/or non service-affecting maintenance may be performed outside the Company's regular business hours or (in the Company's sole discretion and subject to any conditions it may impose) in hazardous locations. In such cases, charges based on the cost of labor, material, and other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

**7.3 Individual Case Basis (ICB) Arrangements**

Rates for ICB arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer, or prospective Customer, for service that falls within this Special Arrangements section. Rates developed in response to such requests may be different for tariffed service than those specified for such service in this tariff. ICB rates will be offered to Customers in writing and will be made available to similarly situated Customers.
