- b. A customer must reapply by July 1 of each year by providing their current federal tax forms as filed with their Federal Tax Return for the current tax year. The customer shall be qualified to receive credits for the Program Year.

  - a. If the customer is participating in net metering as established in PSL Section 66-j or PSL Section 66-1, and set forth in this Schedule, the RAD credit shall be applied to any electricity supplied by the Company that exceeds the generation supplied by the customer.
