## **SECTION 2 - RULES AND REGULATIONS (cont'd)**

2.8.2.B Business service applicants may establish credit by meeting the requirements of the Company's Business Credit Evaluation Plan.

2.8.2.C If verification of an applicant's credit is required, the Company will permit service to be installed upon the advance payment by the applicant of an amount equal to applicable service charges and initial nonrecurring charges applicable for service installation plus the estimated amount of the applicant's monthly bill for service. Such advance payment will be credited to the applicant's service account but does not relieve the applicant of his responsibility to subsequently establish credit in accordance with the rules.

2.8.2.D If credit is not established, the Company may disconnect the service not sooner than five (5) days after delivery or eight (8) days after mailing of written notice of intention to disconnect.

2.8.2.F When a customer's service has been disconnected in accordance with the above, service will not be reconnected until the customer has established credit.

### 2.8.3 Customers

2.8.3.A A customer may be required to reestablish credit by the payment or increase of a cash deposit in accordance with the Deposit section when any of the following conditions occur:

- During the first twelve (12) months that a customer receives service, the customer pays late four (4) times or has service disconnected by the Company for nonpayment two times.
