## **SECTION 2 - RULES AND REGULATIONS (cont'd)**

- 2.7.3.D For each day that the failure to install service continues beyond the initial ten (10) business days, or beyond five (5) business days after the customer's requested installation date, which ever is greater, the Company will either provide alternative telephone service or an additional credit of \$20 per day, at the Customer's option until service has been installed.
- 2.7.3.E The customer shall be notified that he or she may choose alternative telephone service or an additional credit of \$20 per day when installation is delayed continues beyond the initial ten (10) business days, or beyond five (5) business days after the customer's requested installation date, if the requested date was more than five (5) business days after the date of the order, so the customer can exercise his/her option. In the absence of an election by the customer, the customer shall receive \$20 per day.
- 2.7.3.F If installation of service is requested on or by a date more that 5 business days in the future, the Company shall install service by the date requested.
- 2.7.3.G The terms of this section do not apply where Customer's service requires new or additional construction, including deployment of fiber or other facilities; regulatory, rights-of-way or other approvals; or the action or involvement of any third-party beyond the Company's control.
- 2.7.4 At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours. In such case, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours, but at the Customer's request, extends beyond regular business hours into time period including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.
