

PSC No. 5 - WATER**COMPANY: NEW YORK AMERICAN WATER COMPANY, INC.****INITIAL EFFECTIVE DATE: MAY 29, 2016****LEAF NO.: 40****REVISION: 0****SUPERSEDING REVISION:****VII. INSTALLATION OF SERVICES (CONTINUED)**

licensed plumber, (and in compliance with subsections A through C of this section) at the customer's expense; and shall be maintained by the customer.

- 4.1. In the event of a leak in the service pipe, the customer shall have it repaired promptly at his expense.
 - 4.2. The Company may discontinue its service if a faulty service pipe is not repaired within a reasonable time and will charge the customer with the expenses incident thereto (refer to sub-Section V of this section for Emergency Disconnection of Residential Service).
5. The Company will furnish, place, construct, operate, maintain, and when necessary, replace at its own cost and expense, all mains, service pipes, service connections and other facilities within the territorial limits of any street, avenue, road or way that is for any highway purposes under the jurisdiction of the legislative body of any city, town, village, county or the State of New York, or other public place open to the general public for highway purposes, provided all necessary easements are furnished without cost to the Company. No service pipe will be installed by the Company within the territorial limits of a public street, as hereinbefore defined, until the service pipe and service connections from the premises to the territorial limits have been installed in a manner satisfactory to the Company.
- 5.1. Where a service pipe is provided at the request of an owner or occupant through which service is not immediately desired, the property owner or occupant shall bear the entire expense of providing and installing the service pipe and accessories, but will be entitled to a refund.
 - 5.2. Whenever water service is begun for such part of the expense as the Company is required to assume such refund shall be the cost of such service pipe and accessories less 3% per annum for the period which said pipe has been in the ground.
6. Customer shall be responsible for keeping the curb box at grade, plumb and accessible to the Company. The Company shall bill the customer all costs incurred if the curb stop is not accessible through the curb box.
7. The Company requires a separate service line from the domestic service for fire suppression.

E. Maintenance of Mains

1. Applicable to all Extensions of Mains:
 - 1.1. The Company will be solely responsible for the maintenance and replacement of all mains, service pipes and facilities placed in any street, avenue, road or way as previously defined or easement area used by the Company for supplying water to its customers; and
 - 1.2. if adequate maintenance requires the reconstruction or replacement of such mains, service pipes and facilities, said mains, service pipes and facilities shall be reconstructed or replaced by the Company at its cost and expense.
 - 1.2.1. However, replacement or reconnection of mains less than two (2) inches in diameter in excess of seventy-five feet in length previously installed and privately owned, shall be governed by the provisions of this subsection.
