Certificate of Compliance
Dwelling Converting to Gas Space Heat

One of the following certificates shall be completed and signed:

1. I _____ am aware that the Minimum Insulation Standards
(Owner)
for Dwellings Converting to Gas Space Heat require my house to have storm doors, storm windows and
at least R-19 (usually six inches) roof insulation. I certify that my building at _____
(Location)
meets those requirements, or that I have obtained a waiver; and I understand that should my building be
found not in compliance, a 25 percent surcharge on my utility bill may be imposed or gas service may be
discontinued.

The undersigned attests that all statements and representations contained in this certificate are true and
accurate.
