## 2.0 RULES AND REGULATIONS (CONT'D)

### 2.14 Service Connections (Continued)

#### 2.14.1 Provision of Equipment (Continued)

- F. Any special interface equipment necessary to achieve compatibility between Company and Customer used for furnishing Service and the channels, facilities or equipment of others shall be provided by Customer at the Customer's expense.

#### 2.14.2 Customer Premises

Customer shall provide, without cost to Company, all equipment, space, conduit and electric power required to enable the provision of Service at the Customer's Premises. The Customer shall arrange for the Company, or other carriers as required, to have access to the Customer's Premises at all reasonable times for purposes of Service installation, maintenance, termination, inspection and repair. Customer shall be solely responsible for any damage to, or loss of, Company equipment, including inside wire, while on the Premises of Customer, unless such damage is caused by the gross negligence or willful misconduct of the Company, its employees, subcontractors or agents.
