2.0 RULES AND REGULATIONS (CONT'D)

2.14 Service Connections (Continued)

2.14.4 Interconnection

- A. Service furnished by Company may be interconnected with Service or facilities of other Carriers, authorized communications common carriers and with private systems, subject to technical limitations established by Company. Any special interface equipment or facilities necessary to achieve compatibility between the Company facilities and other carriers shall be provided at Customer's expense. However, Service furnished by Company is not part of a joint undertaking with any other provider.
- B. Interconnection with the facilities or Service of Carriers shall be subject to the applicable terms and conditions of this Tariff and the Carriers' tariffs, if any. The Customer shall be solely responsible for satisfying all legal requirements for interconnecting Customer-provided terminal equipment or communications systems with the facilities of other Carriers or entities, including, without limitation, all licenses, permits, right-of-way and other arrangements necessary for such interconnection.
