GENERAL INFORMATION (Cont'd)

II.3. MAINS AND SERVICE LINES

A. Definitions applicable to this tariff

- (1) A "main" is a pipeline located on a public or private right-of-way which is generally available or used to transport gas to more than one service line.
- (2) A "service line" is the piping, including associated metering and pressure reducing appurtenances, that transports gas below grade from a main to the first accessible fitting inside the wall of a customer's building when a meter is located within the building; if a meter is located outside the building, the service line will be deemed to terminate at the outside of the building foundation wall.
- (3) "Public right-of-way" means territorial limits of any street, avenue, road or way (other than a limited access thoroughfare) that is for any highway purpose under the jurisdiction of the State of New York or the legislative body of any county, city, town or village and is open to public use.
- (4) "Adjusted gas revenue" means the revenue realized from the applicable service classification rates and charges, minus revenue taxes, the minimum charge and cost of gas.

B. Applicants for Service

- (1) When an application for gas service is made to the Company by or on behalf of the owner or occupant of a building situated on property abutting on or having access to any public right-of-way in which the governmental authority having jurisdiction will permit the Company to install and maintain facilities, the Company will render the service requested in accordance with the following rules. If due to unusual circumstances the actual cost per foot of a particular installation is greater than two times the Company's average cost per foot of new installations for service for the twelve months ended September 30 of the previous year, the Company may apply to the Public Service Commission for relief from such part of these rules as it deems necessary in order to provide the service.
- (2) An applicant shall first have:
  - a. Assured the Company that he/she will be a reasonably permanent customer;
  - b. Agreed in writing to pay to the Company:
    - i. the material and installation costs relating to any portion of the service line, service connections and appurtenant facilities located on his or her property that exceeds the portion which the company is required to install without charge;
    - ii. any surcharge relating to the portion of the main and appurtenant facilities that exceeds the portion which the Company is required to install without charge; and
    - iii. the rates charged like customers; and
