MESSAGE TELECOMMUNICATIONS SERVICES TARIFF

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.9 Special Construction

All rates and charges quoted in this Tariff provide for the furnishing of a Service when suitable facilities are available or where the construction of the necessary facilities does not involve unusual costs. When the revenue to be derived from the Service does not warrant the Company assuming the unusual costs of providing the necessary construction, the Customer may be required to pay all or a portion of such costs and to contract for the service for a sufficient period to warrant the construction, depending upon the circumstances in each case. The Company's charges for such special construction shall follow the same guidelines for establishing charges for Special Services as described in Section 2.8 of this Tariff.

2.10. Inspection, Testing and Adjustment

2.10.1 The Company may, upon reasonable notice, make such tests and inspections as may be necessary to investigate the installation, operation or maintenance of the Customer's or the Company's equipment or connecting facilities. The Company may interrupt Service at any time, without penalty or liability to itself, where necessary to prevent improper use of Service, equipment, facilities, or connections.

2.10.2 Upon reasonable notice, the facilities and equipment provided by the Company shall be made available to the Company for such tests and adjustments as may be necessary for its maintenance in a condition satisfactory to the Company. No interruption allowance will be granted for the time during which such tests and adjustments are made, unless such interruption exceeds twenty-four (24) hours in length.

2.11 Single Service Fee

The Single Service Fee is a monthly recurring charge that is applied to access lines (C)
presubscribed to FairPoint Long Distance for their intrastate carrier when the Customer (C)
does not subscribe to a bundle or calling plan with a monthly recurring charge. (C)

This charge is applied per line that meets the above criteria unless the Customer has (C)
multiple lines billed together under one account. In this case, only one Single Service
Fee will be charged per account. Business Customers are billed one Single Service Fee
per account
