## GENERAL RULES

### 24. Service Classification Riders (Available on Request) - Continued

#### RIDER R - Net Metering for Customer-Generators - Continued

##### I. Term of Service

Unless otherwise directed by the Public Service Commission, there is no end-date to the term of service under this Rider for:

- (a) Customers with non-wind electric generating equipment that was in-service as of March 9, 2107;
- (b) Customers with non-wind electric generating equipment that was not-in service as of March 9, 2017, provided that both (i) Step 4 of the SIR was completed for generation rated 50 kW or less or Step 8 of the SIR was completed for generation rated above 50 kW as of March 9, 2017, and (ii) the Company received written notification of complete installation by March 17, 2017; and
- (c) Customers with wind electric generating equipment, up to an aggregate of 33,246 kW of wind generating capacity served under this Rider.

The term of service under this Rider is 20 years from the in-service date for all other Customers, except for RNM Customers receiving monetary crediting under Section G.2.c.(iii). The term of service for those Customers is 25 years from the later of April 17, 2015, or the project in-service date.

At the end of the term of service, Customers with on-site generation, RNM Host Accounts, CDG Host Accounts, RNM Satellite Accounts, and CDG Satellite Accounts will forfeit any net-metering credit that remains.
